

REMARKS

The above amendments to the claims have been made to remove the multiple dependencies and otherwise place the claims in better form for initial examination and no substantive change in the scope thereof is intended. Likewise, a substitute specification is presented herewith which merely contains editorial revisions not affecting the scope of the disclosure. In this regard, a mark-up copy of the substitute specification is also appended hereto from which the Examiner can confirm that no new matter has been added.

Respectfully submitted,

David S. Safran
